

Congratulations to Bill Bliss in his promotion to Vice President of Sales and Marketing for Tyler Pipe. Bill is a veteran of 24+ years with Tyler Pipe and has performed at a high level in his many positions including his 2008 promotion to Manager of the EST(Engineer Support Team) team for the McWane Plumbing Group. His broad knowledge of pipe and fittings made Bill the perfect candidate to take over the vacated position of National Sales Manager. His dedication and tireless resolve to bring Tyler back to its leadership role in the industry made Bill stand out as deserving of his new title of VP of Sales and Marketing. Bill has not only exceeded expectations at Tyler but has been recognized

by the industry as a stable force promoting Cast Iron. He was named President of the Cast Iron Soil Pipe Institute which meets 3 times a year with a mission to promote our products.

Congratulations Bill
