

Wade-Tyler Pipe Company

Wade, a leading manufacturer of cast iron Specification Drainage Products has an immediate employment opportunity for a:

Northeast Regional Sales Manager

This is a salaried non-commission position with annual compensation commensurate with experience

Position requires a 4-year business/marketing/engineering degree or comparable work experience with extensive sales experience to include detailed knowledge of product application/distribution in the specification drains/pipe industry. Related sales experience in the plumbing industry is a plus along with a creative sales background.

The Northeast Regional Sales Manager is responsible for sales of Wade products to wholesalers and contractors, including managing distributors, sales agents and consigned sales representatives. Extensive travel required throughout the Northeast, the Midwest and the Atlantic States. Must be a self-starter with a good work ethic. The successful candidate will reside within their sales territory.

Wade-Tyler Pipe offers an excellent benefits package including Medical & Dental Insurance, Life and AD &D insurance, 401(k) plans, and a company vehicle.

Interested candidates should submit resume with salary requirements to:
