"Tyler Pipe & Coupling strongly recommends that its hubless cast iron pipe and fittings be joined with shielded couplings manufactured in accordance with CISPI 310. The use of unshielded couplings or any coupling not meeting the above specification will void the product warranty."

SHIPPING CODE:
S = From Stock
N = Non-Stock;
Check for availability.

Universal Product Code Numbers are recognized worldwide as the preferred means for electronic data interchange. The UPC numbers are for inventory control, but the systems installed will be useful in developing EDI.
The 12-digit UPC numbering system uses the first 6 digits to identify Tyler Pipe as the manufacturer, and the last 6 digits to identify an individual part or product:
670610-000000
(Tyler Pipe) (Product)
Only the last 6 digits of the UPC number are needed to order a product by mail, phone or fax . . . the company identification numbers will be needed for EDI in the near future.

WEIGHTS:
All weights are estimates for shipping purposes only.
Consult Tyler catalog for weights of individual product.

Possession of this price list shall not be construed as an offer to sell the products listed. We reserve the right to reject any order and to refuse to ship any order at our sole discretion.
