**To: Loyal Tyler Pipe Distributors**

**Ref: List Price Increase effective January 1, 2015**

Effective January 1, 2015 Tyler Pipe will raise our list prices on all cast iron products by 3.5% (*Current list divided by .965*). Note: some products may increase more than 3.5%.

Tyler Pipe will not limit your purchases prior to the increase. It is our hope that this will provide our loyal distributors an opportunity to cover their contractor or job commitments.

Please note that all orders with current list price must be received by close of business December 31st, 2014. Any orders received after that date will be priced at 2015 list price (**LP-DWV 2015**).

Our new list price, **LP-DWV 2015**, will be posted soon at:

[www.tylerpipe.com](http://www.tylerpipe.com)

All orders received at year's end will be shipped within the first few months of 2015.

Please contact your Regional Manager if you have any questions. Thank you for your continued support.
